Associate Teacher Postgraduate Study Award Application Form

THE UNIVERSITY OF
WAIKATO
Te Whare Wānanga o Waikato

BACKGROUND

In 2008, Te Kura Toi Tangata Faculty of Education established a postgraduate study award for associate teachers in recognition of their work in supporting the Faculty's initial teacher education programmes and students, and as part of the Faculty's aim to continue fostering strong connections between the University of Waikato and schools and early childhood services.

The Associate Teacher Postgraduate Study Award is available to schools or early childhood services to help cover the costs for associate teachers, mentor teachers and associate lecturers to undertake 500 (postgraduate) level papers offered by Te Kura Toi Tangata Faculty of Education.

PRINCIPLES AND DEFINITIONS

1. The Study Award will be known as the Associate Teacher Postgraduate Study Award.
2. An *Associate Teacher* is defined as a teacher who provides the main source of professional support and guidance for student teachers from the University of Waikato while they are on practicum or placement in schools or early childhood services. The position may also be referred to as *Co-ordinating Teacher* or *Mentor Teacher*.
3. The Associate Teacher Postgraduate Study Award is available to those schools or early childhood services where Associate Teacher/s are enrolled in at least one approved 30 point 500 level (postgraduate) level paper offered by the Faculty of Education in any one academic year. Those enrolled in further qualifications such as an educational doctorate will also be entitled to an equivalent sum.
4. The selection of the Study Awards will be made by a Selection Panel, chaired by the Associate Dean Teacher Education.
5. Selection will be made on the basis of a) the extent that postgraduate study will enhance the candidate's development personally and professionally, and b) the extent that this study will enhance the teaching and learning goals of the candidate's school or early childhood service.
6. Candidates are required to provide a one-page outline of their study intentions with the endorsement of their principal/manager.
7. Each Award has a value of \$800 per Associate Teacher, per year.
